Request for Confidentiality

Company name: paragon finesse GmbH
FCC ID: WRB094831130-1
FCC Part 15 Certification

Gentlemen,

In accordance with 0.459 of CFR 47, paragon finesse GmbH hereby requests confidentiality of following attachments: Block Diagrams, Circuit Description, Schematics, Parts List, Operational Description for the subject application.

These documents contain detailed system and equipment description and related information about the product which paragon finesse GmbH considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, paragon finesse GmbH considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Matthias Wengel

Project leader
